### Customer Quotes

“Geopointe has enhanced our Salesforce implementation 10 fold. We have become so accustomed to conveying data via visual displays that our senior management prefers this method over data tables.”

—Ric Compton, Director of Corporate Accounts, Varco Pruden

“We are identifying opportunities and selling deals that we would have never pursued without Geopointe.”

—Scott Schrader, Director of Marketing & Business Development, Meridian Leasing

“We weren’t seeing continuity and reps were jumping around to chase leads. And then Geopointe came our way.”

— Andrew Aradi, Director of North American Sales, DenMat Holdings, LLC

“We use Geopointe to name drop current customers in a prospect’s area while we have that prospect on the phone - call conversions are up 50%.”

—Greg Ehemann, Vice President of Sales, Shoptech Software

“Geopointe has been extremely beneficial to our new sales executives as they learn their territories — and then they continue to rave about it as a way to plan out their weeks.”

— Rick Sells, Business Development Manager, RentPath
